

Doctoral Program in Computational Science and Engineering

Proposal for Field Study (PFS)

Name: _____ MIT ID#: _____ Advisor: _____

Home Dept: _____ Today's Date: _____ Expected Graduation(May/Sept/Feb Year): _____

Thesis Committee Members: _____

Please list subjects you are taking / plan to take to fulfill the CSE requirement of at least five graduate level subjects in computational science and engineering chosen from the approved list available at <https://cse.mit.edu/programs/phd/overview/>, noting the CSE Academic Performance Policy, below.

Course 10 students should include 10.34 in addition to their four CSE subjects.

Subject #:	Subject Name:	Term:	Grade: _____
Subject #:	Subject Name:	Term:	Grade: _____
Subject #:	Subject Name:	Term:	Grade: _____
Subject #:	Subject Name:	Term:	Grade: _____
Subject #:	Subject Name:	Term:	Grade: _____

CSE GPA

CSE Academic Performance Policy

In addition to departmental academic performance expectations, CSE students are expected to maintain a grade point average (GPA) of at least 4.5 (out of 5) in CSE subjects and an overall GPA of at least 4.2 (out of 5) during the course of their studies.

CSE Subject Petition

Are any subjects listed above **not included** on the current Approved CSE Subject List?

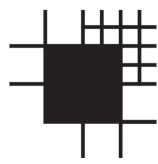

No, all subjects listed above are on the Approved CSE Subject List.

If no, you do not need to complete page 2.

Yes, a subject listed above is not included on the Approved Subject List.

If yes, please use the next page (CSE Subject Petition Request) to explain the reason(s) for your request, providing as much detail as possible. Please also include the syllabus from the subject you are requesting along with this form.

Please submit this form to the CCSE Administrator via kpnelson@mit.edu.
